

Sparklers

Look whats new with Sparklers!!

The 2010-2011 season is fast approaching and we are looking forward to an additional Sparklers team! This team will incorporate the skating fun and skill within a budget that will be very affordable! The team will practice on Monday evenings, and will compete at the Mountain State Synchro Classic in Charleston, WV and at Reflections Synchro Invitational in Hershey PA. We will perform at the Harvest Competition here at Skate Frederick and also in the Frederick Figure Skating Club winter and spring shows.

We have pared down the competition schedule for this team to allow for an easier budget and give the skaters time to develop their skills. The budget for this team includes Ice time, competition and

coaching fees, winter coat, competition costume and much much more for an estimated cost of \$140 per month (for 10 months). There are only 3 additional items that would need to be purchased, skate bag, team shirt and black pants.

We are really excited about this new team for Sparklers and are hoping this will open up an opportunity for more skaters to join the Sparklers family!

Try outs for this team will be held April 18, 2010 from 5:30 to 6:30 at Skate Frederick in Frederick MD. Please pre-register by filing out the attached sign up sheet and placing it in the Sparklers Box located in the pro shop at Skate Frederick.

Looking forward to another great year with the greatest skaters on the ice!!

Sparklers Rock!
